2.1 PeopleFluent hereby grants to the Client, on and subject to the terms and conditions of this Agreement, a non-exclusive, non-transferable, non-sublicensable annual license to use and enable its Users to use the Application (in object code only) and

the Related Documentation solely for the Client's legitimate business purposes with effect from the Commencement Date during the term of this Agreement. The licence is granted to the Client only, and shall not be considered granted to any subsidiary or holding company of the Client. PeopleFluent acknowledges, however, that where specified in the Commercial Terms, a subsidiary or holding company, affiliated and/or client company of the Client may be supplying Users in accordance with the User definition.

2.2 The Client shall not, and warrants that its Users shall not:

2.2.1 (attempt to) copy, duplicate, modify, create derivative works from or distribute all or any portion of the Application or Related Documentation or merge or include the Application or Related Documentation with any other software or documentation; or

2.2.2 (attempt to) reverse compile, disassemble, reverse engineer or otherwise reduce to human-perceivable form all or any part of the Application; or

2.2.3 access all or any part of the Application in order to build a product or service which competes with the Application; or

2.2.4 save as expressly provided in Clause 2.1, use the Application or Related Documentation to provide services to third parties or attempt to obtain, or assist third parties in obtaining, access to the Application or Related Documentation.

2.3 This Agreement will commence on the Commencement Date and will continue for the Initial Term and will renew automatically for subsequent 12 month periods or such other period as agreed in the Commercial Terms (each a "Renewal Term") until it expires or is terminated pursuant to this Agreement or until terminated by either party with effect from the end of the Initial Term or subsequent Renewal Term on serving not less than two months' written notice to the other party prior to the end of the Initial Term or such Renewal Term.

2.4 Unless otherwise specified in the Commercial Terms, the Application is licensed only for single instance use on a single server on the Designated Server IP Address. PeopleFluent may, at its discretion, require that the Client uses an alternative Designated Server IP Address from time to time. The Client will also ensure that no one other than the Users, and no more than the permitted number of Users set out in the Commercial Terms, accesses the Application. If the Client wishes to increase the number of Users, it shall request prior written consent from PeopleFluent (which shall not be unreasonably withheld or delayed) and such increase will be subject to additional charges, at PeopleFluent's then current list price or at such Charges as agreed in the Commercial Terms or otherwise and any additional fee shall be payable by the Client in accordance with the terms of Clause 4.

2.5 Users are named users authorized in the system. Subject to compliance with the provisions of this Clause, the Client is permitted to archive up to 50% of active Users during each year of this Agreement (by changing the status of (former) active Users to non-active Users and adding an equivalent number of new active Users) provided that the total number of named Users in the Application (the sum of all active and non-active Users) shall not be higher than three times the agreed permitted number of active Users in the Commercial Terms. Once this maximum is reached, no

For the avoidance of doubt, no reassignment of a User's account or use of an account by another User is permitted except in as far as permitted pursuant to this Clause. The Client will not allow or suffer any User account to be used by more than one individual authorized User, except to the extent that reassignment of a User account is permitted pursuant to this Clause.

- 2.6 The Client shall at all times maintain a written, up-to-date list of Users (active and non-active), and provide this in fully anonymized form to PeopleFluent within 5 Business Days of PeopleFluent's request at any time.
- 2.7 The Client may not resell or sub-license the Application without PeopleFluent's express prior written consent or use it except as a platform from which to provide training, assessment and other functionality provided by the Application for the Users in accordance with this Agreement.

3 Support

- 3.1 Except as provided below, PeopleFluent will provide maintenance and technical Application support as stated below and (as may) be further described in the support policies on PeopleFluent's online client pages (which PeopleFluent may in its sole discretion amend from time to time). This comprises PeopleFluent's standard support ("Support") and this is included in the License Fee. PeopleFluent will not be under any obligation to provide the Support for any release of the Application other than the current release and the two immediately preceding releases. PeopleFluent may provide additional technical support services to the Client upon terms and charges to be agreed. To the extent the Client also makes use of one or more non-production instances of the Application, PeopleFluent's Support does not apply in relation to such non-production instance(s) of the Application. Any support and maintenance requests related to such non-production instances of the Application are subject to acceptance by PeopleFluent and may require additional charges as applicable.
- 3.2 PeopleFluent may provide the Support or any part of it through a Group Company but shall remain responsible for all acts and omissions of any such Group Company in the performance of the Support or any part of it.
- 3.3 The Support will commence on the Commencement Date and will continue throughout the term of the Agreement. Support will be provided at the times specified in this Agreement, as otherwise agreed between PeopleFluent and the Client or as may be reasonably communicated to Client by PeopleFluent from time to time.
- 3.4 Maintenance for the Application is included as part of the Support and includes new Application software releases, bug fixes, patches, error corrections and enhancements, at no additional charge, when any of them are developed by PeopleFluent and made available without customisation to its clients generally at no additional cost; any such new releases, bug fixes, patches, error corrections and enhancements shall become part of the Application, the Intellectual Property Rights in which shall remain with and vest in PeopleFluent or the Applicable Group Company. PeopleFluent or the Applicable Group Company, as appropriate, may also provide the Client with such additional services, such as new release upgrade support, as may be agreed in writing in respect of the Application and other related or unrelated software or systems. The Client acknowledges that the provision of such additional services is

at PeopleFluent's sole discretion and may depend upon the availability of appropriate resources at the relevant time and further that the Client is not obliged to request or agree any such additional services. Any Application maintenance requested and provided in addition to or separate from the maintenance described in this Clause 3.4 will be considered professional services work and shall be subject to a separate agreement or statement of work and additional charges shall apply.

3.5 PeopleFluent, or the Applicable Group Company, in its sole discretion will prioritise support requests into four levels:

Priority	Description	Initial Response Time*	Target Resolution Time*
1.	Critical problem. Application is down.	1 hour	12 hours
2.	Major problem. Application is functioning but operation is severely affected. Priority 2 problems may be resolved with a fix or a workaround. If a workaround is provided, the priority level will be downgraded to priority 3.	2 hours	24 hours
3.	Minor problem. Application is functioning and workaround is available. Priority 3 problems should be resolved with a fix or a workaround.	Next working day	As appropriate
4.	"How to" or administrative request. Client requests advice on how to use an existing function of the Application or requests an administrative operation such as courseware uploading.	2 working days	As appropriate

* Initial Response Time and Target Resolution Time shall be calculated on a 24x5 (business days) basis

"Initial Response Time" refers to the targeted response time by which PeopleFluent or the Applicable Group Company will communicate (by email, online case management system or telephone) with the Client in respect of the reported problem. It does not refer to the time in which the reported problem will be resolved by PeopleFluent.

"Target Resolution Time" refers to the time frame in which PeopleFluent shall aim, using commercially reasonable endeavours, to rectify the reported problem. Until the necessary information, data and documents are provided to PeopleFluent or the Applicable Group Company to enable it to replicate the error, the Target Resolution Time shall not commence.

3.6 For Priority 1 problems, PeopleFluent or the Applicable Group Company shall provide updates on the status of its efforts to fix the problem. These updates, which PeopleFluent shall aim to provide at least once every four hours, and the above target response times, shall start from the time the Client's designated support contact logs

a problem by email or online case management system to PeopleFluent with sufficient information to enable it to replicate the error.

- 3.7 When a problem in relation to the Application is identified, a Client support coordinator (as defined in Clause 3.9 below) may raise the problem as a ticket in PeopleFluent's or the Applicable Group Company's online support tool. In the ticket raised, the Client support coordinator will document the problem in a problem log form (with sufficient information to enable PeopleFluent to replicate the error). PeopleFluent shall subsequently respond to such ticket in accordance with this Clause 3.
- 3.8 On-site and telephone technical support is not included in the Support except where so provided by PeopleFluent in its sole discretion on a case by case basis.
- 3.9 The Client may designate up to two named employees, agents or contractors who will be responsible for the co-ordination of all matters relating to the Support on the Client's side and who will be the points of contact with the PeopleFluent support team. The Support will be provided only to the Client's designated Client support coordinators hence does not cover general support to the Client's affiliated companies or individual end users. The Client may change the technical support contacts up to twice in any year of this Agreement free of charge.
- 3.10 The Support will only be provided in respect of the Application and does not cover any other hardware, software, operating system or environment. PeopleFluent will have no obligation to provide Support where support is necessitated as a result of any of the following causes:
- 3.10.1 failure, misuse or default of the Client or any of its Users, employees, agents or any third party not under PeopleFluent's direct control, including where the Client elects to implement any new release upgrade itself; or
 - 3.10.2 act of riot, fire, flood, war, act of violence, or any other similar occurrence; or
 - 3.10.3 any modifications to the Application made by any other person than PeopleFluent or the Applicable Group Company or their authorised agents or sub-contractors.

4 Fees and Payment

- 4.1 In consideration of PeopleFluent licensing the Application and providing the Support to Client under this Agreement, the Client will pay the License Fee to PeopleFluent prior to the commencement of each year of this Agreement. Payment of all Charges falling due under this Agreement shall each time be made within 30 days of the date of PeopleFluent's invoice.
- 4.2 All Charges quoted by PeopleFluent are exclusive of any Value Added Tax and any other applicable local, regional or national taxes, levies or charges, for which the Client will be additionally liable at the rate applicable at the date of PeopleFluent's invoice.

- 4.3 Payment of all amounts due to PeopleFluent will be made by the Client in full, in the agreed currency and by wire transfer or by such other method as may be agreed by PeopleFluent.
- 4.4 Payment of all sums due to PeopleFluent must be made by the Client in full without any set-off (whether at common law or otherwise), deductions or withholding for or on account of any taxes, fees, levies, imposts, duties or charges of any nature imposed by any governmental authority on any payment due hereunder.
- 4.5 If the Client fails to make a payment (which has not been disputed in accordance with Clause 4.8 below) to PeopleFluent in accordance with this Clause 4, PeopleFluent will be entitled to (i) charge interest on the overdue amount at a rate of 1.5% per month compounded monthly from 30 days after the invoice date until the date of payment, (ii) suspend the Support, (iii) recover on demand from the Client the costs (including attorneys' costs) incurred by PeopleFluent in collecting or recovering the payment due from the Client, and/or (iv) terminate this Agreement pursuant to Clause 11.2.
- 4.6 PeopleFluent may increase the Charges with effect from the end of the Initial Term or applicable Renewal Term with at least 90 days' notice in writing before the end of the Initial Term or applicable Renewal Term. If the Client does not agree to the proposed Charges and an alternative revision to the Charges is not agreed by the parties within 30 days of PeopleFluent's notice under this Clause 4.6, the Client may exercise its right to terminate this Agreement pursuant to Clause 2.3.
- 4.7 Pricing and applicable terms for any products or services other than those provided under this Agreement shall be as may be agreed by the parties.

- 5.2 The Client will:
- 5.2.1 not provide or otherwise make available the Application or Related Documentation in whole or in part, in any form to any person other than the Users without PeopleFluent's prior written consent;

If an audit reveals that the number of Users exceeds the number specified in the Commercial Terms, allowed under this Agreement or otherwise agreed with PeopleFluent (and paid for), Client shall be responsible for and pay for PeopleFluent (reasonable) audit costs and PeopleFluent shall be entitled to immediately invoice Client for these audit costs and the additional Users (regardless of the active or non-active status) for the remainder of the Initial Term or applicable Renewal Term in accordance with its current per User list price or such pricing as may be agreed with Client.
- 5.5 The Client is solely responsible for ensuring compliance with all applicable import and export laws and regulations of the country of destination and any applicable foreign jurisdiction and will indemnify, defend and hold PeopleFluent and the Applicable Group Company harmless from any claims brought against PeopleFluent arising from the Client's export, import or handling of the Application and Related Documentation.
